All Documents are required when submitting the Application. Please include a Diagram, showing Proposed Building, marking all distances from property lines and/or other buildings. A Legal Survey Certificate is required. One week notice to review application is required before permit may be issued. Inspector must provide a Certificate before construction may begin. All work MUST be inspected. Failure to do so may result in penalty.

By signing this application I undertake to observe and perform the provisions of Federal or Provincial statutes or regulations, the applicable by-law or by-laws, schemes, regulations or orders and plans continued in force pursuant to the Manitoba Building Code including any applicable zoning by-laws, any agreement entered into affecting said land, and all specifications or instructions issued by the duly authorized officers of the authority having jurisdiction in respect of the work incidental to the subject matter of this application and if the permit involves or affects the placing of or the position of any building or structure on or in respect of land to do all work so that the building or structure will be wholly within the boundaries of the lot or parcel of land indicated in this permit application and to indemnify the Municipality against all losses, costs, charges or damages caused by or arising out of anything done pursuant to any permit issued. Any damages incurred to Municipal property during the moving or construction of a build will be the responsibility of the contractor or land owner to repair.
